

ATTENTION CLIMBERS!! EFFECTIVE January 1, 2010

In an effort to continue the improvements and expansion to the facility and programs at Rocktown, it is necessary to make a slight rate adjustment. This increase is based on regional rates at comparable facilities and will include state and sales taxes.

Rocktown has invested tens of thousands of dollars in order to complete the current improvements within the gym. These major renovations have driven the overall operating costs for the gym higher, while our rates have remained below market value for more than 2 years.

We hope you will continue to use our facility and maintain a relationship with us. We can assure you our quality of services and your experience here will only continue to improve.

Thank you for your support, loyalty, and patronage!

Very Truly Yours,
Rocktown Climbing Gym Management and Staff

** Members may opt-out of their current membership contract with written notification by December 30, 2009 to avoid the rate change.*
